OVERVIEW

Wonderful 5-bedroom semi-detached property with garden and pool for sale in Roza Martín, Majadahonda

Lucas Fox Las Rozas is pleased to present this wonderful 348 m² semi-detached villa in the prestigious development of Roza Martín, Majadahonda, less than 20 minutes from Madrid.

The property has five bedrooms with large built-in wardrobes, all of them with their private bathroom, as well as a beautiful garden and salt chlorination pool.

The wonderful villa is located within a stately sprawling development, Roza Martín in Majadahonda, very close to all amenities: the Puerta de Hierro university hospital, the Equinoccio and Centre Oeste shopping centers, as well as several restaurants, schools and green areas. It also has quick access to the A6 and nearby means of transport.

On the ground floor, we find a large double-height entrance hall that leads to the large living-dining room, very bright, with separate rooms and a fireplace. The living room has access through floor-to-ceiling ceiling windows to a beautiful porch with an automatic awning and to the garden with its large salt chlorination pool. The property has a large kitchen with an office area and ample storage capacity from which we also access the porch and garden. On this floor we also have a charming guest toilet and a spacious and bright ensuite bedroom.

Going up to the first floor, we find the night area that has three bedrooms, all of them with their private bathroom. The main one, very spacious and bright, is dressed with large built-in wardrobes. The bathroom has a shower and hydromassage bathtub. We have another bright ensuite bedroom that is prepared as a dressing room, as well as a third bedroom that also has its private bathroom.

On the lower ground floor we have the service area, with a bedroom with a window and a private bathroom, in addition to the laundry area, a large living room, gym or multipurpose space and the large garage with capacity for four cars.

This villa has underfloor heating with temperature control in each room, as well as hot/cold air conditioning. This large property offers us a complete home automation system, automatic blinds, salt chlorination pool and central vacuum.
