OVERVIEW

Fantastic modern home with high quality finishes and great views of the mountains and an abundance of natural light.

We enter this property, located on a corner plot, through the front door into an entrance hall with a guest toilet to the right and double wooden sliding doors leading to the living area straight ahead. The light filled living and dining area with an open plan kitchen at one end looks out directly onto the pool with 3 large double sliding glass doors.

The kitchen has wall-to-wall units with a large central island with an integrated induction hob, wok, grill and hot plate. To the right of the kitchen we find a room currently being used as a gym but could also serve as an additional bedroom. The other end of the living area we find a pleasant study room also accessed through double wooden sliding doors.

The attractive open wooden and chrome staircase leads us up to the first floor where we find 4 double bedrooms and two family bathrooms (1 with a shower and the other with a bathtub) In addition there is the large master suite with its own dressing room and bathroom.

On the top floor we find an attractive roof top terrace with a bar area, an open kitchen and a fantastic covered chill out zone with fitted furniture and windows on all 3 sides. The roof top overlooks the pleasant countryside with views of the hills and a glimpse of the sea in the distance.

The exterior space offers a large pool surrounded by a paved area with an awning for shade in the hotter months. The garden, which wraps around the property, has artificial grass for easy maintenance and attractive plants.

This contemporary villa would make a fantastic family home because of its location close to Sitges and a choice of 3 international schools within walking distance.
