OVERVIEW

This pleasant family home offers fantastic open views of the forest and mountain range that surrounds the Mas Mestre area of Olivella.

We enter this spacious open plan home in Mas Mestre to living and sleeping quarters all on one level. The entrance hall splits in two directions, if we firstly turn to the right there is a large family bathroom with a walk-in shower on our left-hand side followed by three double bedrooms and a separate guest toilet at the end of the hallway.

Straight ahead we enter a large living / entertaining area with stunning mountain views, following on from here is a beautiful Al fresco open terrace complete with built in firepit and bar. This area is simply perfect to enjoy the many months of outside dining and sunshine we are so fortunate to have in this Mediterranean micro-climate. All of this with the spectacular mountains as the most picturesque backdrop.

Going back to the main hallway where we entered the residence and now turning left, we find a pleasant open plan family living/dining area, this leads through to a large American style kitchen and island with a separate laundry room ideally located in the far corner. The kitchen has two doors, one leading to the back garden area of the house with a beautiful lemon tree sitting perfectly outside the kitchen window almost like a framed picture and the other door leads to a very large drive where you can easily park 3/4 cars.

Leading off the living room we find the master bedroom. This comes complete with a large en-suite bathroom and shower a fabulous walk-in closet and a separate office/study room.

On the lower ground floor level there is a large games room with its own bathroom and shower. And another room that can be used for storage or as a workshop. And also, we find a separate room being presently used as a bodega.

The home overlooks the garden and pool area with Garraf Natural Park surrounding as far as the eye can see.

This comfortable family home is perfect as a primary residence or indeed as a holiday home big enough to enjoy along with friends and extended family.
