OVERVIEW

This beautifully maintained family home with outstanding views, extensive manicured gardens and swimming pool is ready to move in and enjoy. The tranquillity of Mas D'en Serra has its charm while also in close proximity to nearby International Sitges.

We enter this family home from the manicured lawns and extensive gardens to an open and welcoming hallway.

To our right we find a very large fully equipped American kitchen with access to the beautiful pool and outdoor dining/barbecue area. There is an outdoor bathroom and shower for Al Fresco lunches that are more comfortable during the long hot summers.

To our left from the main entrance, we find a bright and airy living-dining room, there is a second TV room next to this that can be used as a downstairs bedroom. A spacious family bathroom and shower is included on the ground floor.

As we ascend the marble staircase filled with light from the glass tower, there is a large double bedroom to our left, the master bedroom with en-suite bathroom and walk-in closet has its very own balcony with spectacular views of both the mountains and the sea. A single bedroom / office space and separate family bathroom are also on this floor.

Continuing upstairs to the second floor we find a wonderful roof terrace again with spectacular views of the Port in Villanova, the sea and surrounding mountains. This is the perfect spot to relax and read a book or enjoy a glass of wine while watching the sunset.

Downstairs on the lower ground floor level we have a wonderful bodega complete with Boveda Catalana authentic ceilings. Another bathroom and shower occupy this lower level.

There is also a 3-car garage with access from the main electronic gates.

The exquisitely kept gardens and swimming pool make this a joyful house for a growing family. It is located within five minutes' drive of some of the best international schools in the area with shopping and beaches also nearby.
