OVERVIEW

Historical townhouse in the old centre of Sitges with 3 terraces and some sea views.

We enter this recently refurbished townhouse on the first floor where we find a spacious living room at the front with exposed wooden beams, balcony and fireplace and a modern fully equipped kitchen at the back with access to a utility room and small courtyard with a built-in barbecue.

Steps take us up to the next floor with 2 large double bedrooms, one of which has a balcony and with a shared bathroom.

The next floor also offer 2 double bedrooms one with a larger terrace and an en-suite bathroom.

The final floor offers a small room with access to a lovely terrace with great views over the rooftops of the old town and the sea. There is even a wooden staircase up to a further terrace with even more impressive panoramic views.

This property would make a great first residence or even a second home for someone wishing to enjoy all that Sitges has to offer right on your doorstep.
