OVERVIEW

Stunning first floor apartment with balcony for sale on the seafront and large rear terrace, in a beautifully renovated period building in Sitges town.

We enter this brand new apartment via the lift on the first floor, which takes us directly into the open-plan living area with its modern designer L-shaped kitchen and Neff appliances. Wonderful views out to sea from the floor-to-ceiling windows and Juliet balcony are the highlight of this seafront apartment.

At the rear of the apartment, we find the main suite with its own designer bathroom and access to a large rear terrace, perfect for evening dining and relaxation away from the hustle and bustle of the seafront. Another smaller double bedroom completes this property, as well as a second bathroom located near the entrance hall.

The well-designed interior is environmentally friendly and finished with high-quality materials including herringbone parquet flooring, open contemporary kitchens, bathrooms with Porcelanosa ceramic tiling and large double-glazed windows looking out to sea.

Given the scarcity and high demand for seafront properties, this apartment offers an exciting opportunity and investment.
