OVERVIEW

Stunning first floor apartment with large terrace on the seafront in a beautifully renovated period building in Sitges town.

We enter this apartment via the lift on the first floor, which takes us directly into the open-plan living area with its modern designer kitchen and wonderful views out to sea from the floor-to-ceiling windows and Juliet balcony.

To the left of the living area we find the master suite also with sea views and its own designer bathroom.

At the rear of the apartment we find a further 2 double bedrooms, one with its own bathroom and access to a large terrace. The third bathroom is located close to the entrance, making it ideal for guest use.

The well-designed interior is environmentally friendly and finished with high-quality materials including herringbone parquet flooring, open contemporary kitchens, bathrooms with Porcelanosa ceramic tiling and large double-glazed windows looking out to sea.

Given the scarcity and high demand for seafront properties, this apartment offers an exciting opportunity and investment.
