OVERVIEW

Lovely country house with large terrace, communal pool set in a hamlet in the vineyards of Penedes close to Sitges.

This beautifully restored country house is part of a complex with 3 other houses all originally part of a large country house with a medieval tower.

The front door takes us into the entrance hall with the spacious kitchen to the right and generous sized living area through a large arch in front. Adjoining the living area is a lovely terrace with views out to the vineyards and perfect for outdoor dining or taking in the views and sunshine. There is also a guest toilet on this floor.

The stairs lead us up to the first floor where we find 2 generous sized double bedrooms, 1 single bedroom all with built-in cupboards and beautiful views. The master bedroom with en suite bathroom and a second family bathroom complete this floor.

The outside facilities, garden, salt water pool and BBQ pit are shared with the other 3 houses.

This property is perfect for somebody wanting an authentic but fully renovated country property either as a main home or a second home as well as a great investment as the property has a tourist licence.
