OVERVIEW

Excellent 3-bedroom ground-floor apartment for sale a few meters from San Sebastián beach, Sitges.

Lucas Fox presents this very cozy recently renovated ground floor apartment in the old town of Sitges, with bright rooms and a terrace/garden of about 40 m².

We access the apartment and on the right hand side we find the first double bedroom and a complete bathroom on the left hand side. We then enter a living room with large windows and lots of natural light. From the living room, there is access to a beautiful, generously sized patio-garden with an outdoor table, a chill-out area and even sun loungers to relax with family or friends. From the living room, there is access to the master bedroom and a third single bedroom. Thanks to its comfortable distribution, this third bedroom could be enabled as a dressing room and a private bathroom for the master bedroom, to configure a dream suite-type bedroom. The independent kitchen is fully equipped and has access to a large laundry room, very useful for storing all the household items, the beach or as a pantry.

It is a spacious and bright house, completely exterior, ready to move into. The house is sold with all the furniture, appliances and decorative objects. There is gas heating and air conditioning throughout the house.

A unique opportunity to live practically on the seafront of San Sebastián beach.
