OVERVIEW

Fabulous, conveniently located detached family home with garden and pool, just a 5-minute drive from all the amenities of Sitges and its beaches. Whilst this delightful house has a rustic feel, it is impeccably presented and equipped with all mod cons.

We enter this delightful property through the front garden with a large recently built pool and beautiful planting. Most of the plants are local and require little maintenance and watering. The garden is also lit up at night. The plot wraps around the house with a lovely sheltered terrace overlooking the garden, perfect for outdoor dining, a barbecue area and space at the back for firewood and hanging washing.

The front door leads us into the hallway with a utility room and large double height garage with plenty of room for storage as well as a charger for electric cars. To the right we find the fully equipped kitchen with a dining space overlooking the garden.

Both the kitchen and hallway take us into the pleasant living space, with a wall of sliding glass doors opening onto the covered terrace. There is space for a formal dining table and the sitting area boasts a wood burning fireplace. Finally, at the end of the hallway is a guest bedroom as well as a bathroom.

The wooden staircase takes us up to the first floor with its exceptionally high ceilings with exposed wooden finishes. The skylight lets in natural light in the hallway. There are 3 double bedrooms all with built-in wardrobes and the main suite with its own private terrace, walk-in wardrobe and large private bathroom with bathtub, shower, double sink unit and bidet.

This well presented family home boasts gas central heating, air conditioning, centralized vacuum system and laundry chute as well as solar panels and parquet flooring.

This wonderful, conveniently located property in a very popular residential area surrounded by parkland would make an ideal family home.
