2-bedroom apartment for sale in Sitges

Spacious and bright apartment for sale in the historic quarter of Sitges.

In the town hall square, we find this spectacular apartment of almost 140 m², which is both spacious and bright. Close to all the services offered by a town like Sitges: beach, restaurants, stores and supermarkets.

The apartment has 3 exterior-facing rooms; 2 of them are double and one has access to a small terrace, from which you can see people walking to and from the beach and restaurants. The atmosphere is perfect, busy, but at the same time quiet.

The interior design reflects the comfort and modernity of the apartment. It has been completely renovated this year (facade, roof, balconies and water, electricity and gas installations).

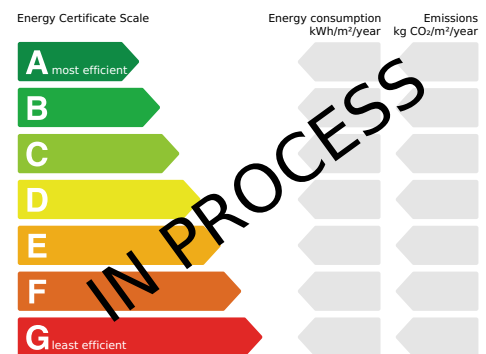

From the living room, we have access to a small terrace overlooking the town hall. The kitchen is open to the living room and has an attractive white central island. At the back of the apartment, there is also a large terrace.
