OVERVIEW

Attractive house for sale in Mas Mestre with 3 bedrooms, 2 bathrooms, great terraces, a pool, panoramic mountain views and a tourist licence.

Attractive renovated detached house in the top part of Mas Mestre, Olivella with stunning mountain views to enjoy beautiful sunsets.

We enter the property through a wooden gate and have a direct overview of the house and part of the large 1,181 m² plot. There is a great outside area with a large pool with chill out area, terraces, barbecue, all with wonderful mountain views.

We enter the house via a small hallway in the centre, that distributes the living areas and leads to the other levels. To the left is the nice cosy sunny living room with a fireplace and open views. The dining room opens up to a covered terrace which is perfect for breakfast and enjoying the views of the Garraf Natural Park. Next to the dining room is the modern open kitchen which is fully equipped.

On the right of the hallway is a double bedroom with wardrobe and a bathroom with a shower. This room is on the same level as the living areas.

Walking downstairs to the ground floor, we find on the right a second double bedroom with great views and on the left-hand side a large bedroom suite with a walk-in wardrobe and access to a wonderful terrace and access to the pool. The en-suite bathroom has a nice bath, space to build a separate shower and two sinks.

The entire property has a new heating installation and 2 separate hot and cold air conditioning systems.

This villa would make a great family home or second home. It would also be a good business opportunity as it yields a good rental income return. The property comes with a tourist rental licence.

The peaceful location in the pine forest boasts stunning, relaxing views.
