OVERVIEW

Modern 3-bedroom villa with a separate 1-bedroom apartment, double height ceilings, large windows, terraces and stunning sea views located on the hill overlooking Sitges.

We enter this villa at street level, where there is ample space to park two cars. The attractive Corten steel staircase, or alternatively the lift, takes us down to the first floor where we find a guest toilet, a modern fully equipped kitchen and an impressive living area with double height apex ceiling and double aspect large glass sliding windows opening onto the terrace with spectacular hillside and sea views.

On the next level down, we find three en-suite bedrooms with built-in wardrobes and sea views. The main suite has a larger bathroom with double stone sink and jacuzzi, as well as an ample walk-in wardrobe.

From this floor we can either take the lift or the exterior steps down to the pool area and deck with an attractive chill out space. This level also benefits from a generous sized self-contained one-bedroom apartment with an open kitchen and extra storage space.

This is a great opportunity to acquire a large, spacious villa with stunning views and just a stone's throw away from the lively, dynamic town of Sitges.
