### OVERVIEW

## Seafront apartment for sale in Sitges with parking and swimming pool

This fully renovated apartment is located on the first floor of a building with a lift and is being sold with a parking space and storage room. It enjoys a great location in Sitges, just one minute from the beach.

From this area of the promenade you can walk to the beach, restaurants, pharmacies and other services to enjoy, which offers a coastal town as special as it is Sitges.

As soon as we enter, we have the hall that leads to one side, to the living room with a separate kitchen, equipped with everything one may need. From the living room we see the terrace overlooking the sea and, on the other side, there are two modern bathrooms and two double bedrooms with heating and natural light; the rooms include custom-made wardrobes and double beds.

The entire apartment is decorated in white and ecru shades, which gives it a modern and sophisticated air.

The community also has a 24-hour concierge, swimming pool and garden area.
