OVERVIEW

Modernised villa in an incredible seafront location on a plot of over 1.2 hectares in Mas d'en Serra, 10 minutes from Sitges. Currently undergoing renovation.

On an extremely private, elevated plot, right next to the sea and a small, almost private beach in the exclusive Mas d'en Serra residential area of Sitges, we find this wonderful listed 18th century property for sale. The villa, which has been the setting for many movies and TV adverts, is being fully renovated to add further modern comfort to the historical charm of the house.

Upon entering on the first floor we find a bathroom to the right and the modern kitchen on the left. In front of the entrance is the large dining room which leads to the 60 m² living room with a huge window overlooking the 150 m² garden with lawn, a dining area and a wonderful infinity pool which merges with the sea.

On the second floor is a small balcony, 5 double bedrooms and 2 bathrooms with another living area of approximately 40 m², followed by an ironing room.

The villa boasts amazing sea views from almost every window and offers total privacy as it cannot be seen from the beach.

Ideal as a permanent residence, holiday home or rental property for short or long term lease or as an events venue.
