### OVERVIEW

## Impeccable detached villa for sale in a peaceful location in Sant Pere de Ribes.

This classic, detached villa is located in a quiet residential area of Sant Pere de Ribes. Fully renovated a few years ago, the villa is presented in an impeccable condition. It is a spacious and bright house; a wonderful family home or elegant second residence on Barcelona's south coast.

We are welcomed into the property via a large hallway with a majestic curved marble staircase leading to the first floor. To the left of the staircase we find the ample Italian designed kitchen with attractive fitted appliances. There is also a separate laundry room. The sophisticated living-dining area has a bay window and direct access to the garden and pool area. A guest bedroom is also located on the ground floor and this has direct access to a bathroom. A large multi-space room and wine cellar are found in the basement.

Heading up the marble staircase to the upper floor we find the large master bedroom with a walk-in wardrobe and en-suite bathroom and lovely views of the garden. There is a further double bedroom also with an en-suite bathroom.

The remaining bedroom, also very spacious and with an en-suite bathroom, is on the second floor.

The garden is easy to maintain thanks to the use of high-quality artificial grass. The summer house, which can be opened up completely in the summer, has a kitchen and bathroom which could be converted into a separate apartment.

This beautiful villa is a wonderful opportunity to acquire a classic detached villa in a peaceful location in Sant Pere de Ribes.
