OVERVIEW

A great home with spacious rooms and a private pool, ideal for a family.

This excellent family home is located in the peaceful area of Mas Mestre popular with local and expat residents, just 10 minutes' drive from Sitges. It is built on different levels with a large pool area and outdoor bar, offering attractive views of the surrounding hills. The property sits on an 820 m² plot. The villa was originally built in 1979, and was extended and renovated in 2011.

We enter the house through the front garden which has a terrace with sitting area. A hallway leads to a bright and spacious open-plan living room/kitchen diner with large glass windows overlooking the hills. There is a fireplace in the lounge. The modern fitted kitchen has a large central island and there is also a walk-in pantry. A door leads out to the back garden with a dining area and there are steps up to the pool area with an outdoor shower and bar. There is also a gate with access to the street above.

The first floor has 2 bedrooms, both with en-suite bathrooms. One of the en-suite bathrooms is also accessed from the landing. A staircase with windows leads to the top floor, with an office space at the top of the stairs. There is a large bedroom with en-suite bath as well as the master bedroom which has a terrace, walk-in wardrobe and full bathroom with access to the pool area.

The property benefits from air-conditioning in the main bedrooms, entry phone, central heating and automatic shutters.

Furthermore, the property has a garage at street level for one car.

The ideal home for a family to live all year round or to use as weekend / holiday home close to nature.
