Detached property with great views for sale in Levantina, Sitges

Detached property with self-contained 2-bed guest apartment in Levantina with spectacular views of Sitges town and coast line. Ideal investment as a renovation project.

Built in 1991, this large detached property enjoys a great location on a hill in the popular Levantina residential area of Sitges.

Outside we find various terraces, a pool, garden and a barbecue, all with great views of Sitges town, the sea and the marina.

We enter property on the top floor where we find a self-contained apartment with 2 double bedrooms, 1 bathroom, 1 toilet, a kitchen and a large terrace.

The next level down we find the main house with its own entrance. This offers a kitchen, living-dining area, 3 double bedrooms and 2 bathrooms.

The lowest floor accommodates a further 2 double bedrooms, 2 bathrooms and a kitchen.

All levels enjoy amazing sea views and the property could easily be turned back into a wonderful detached home with a separate 2-bed guest apartment on top.

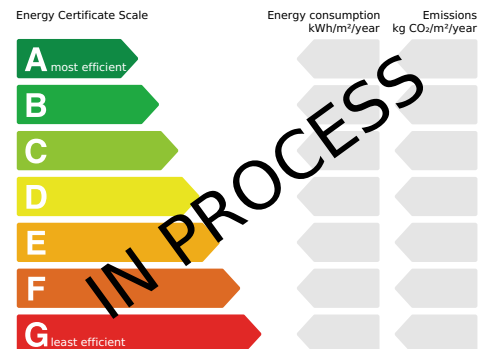

Parking facilities are provided in the form of a large garage and a parking area which is accessed directly from the street.

The property would benefit from an improved layout and cosmetic updating and would make a perfect family home with the possibility to rent out the top apartment. It is also interesting for investors to renovate and sell on at a profit as there is high demand for large properties of this type in this neighbourhood.
