OVERVIEW

Completely renovated and furnished penthouse with 3 double bedrooms with a 100 m² terrace with jacuzzi for sale in Sant Feliu de Llobregat.

Lucas Fox presents this spectacular property located in Sant Feliu de Llobregat on a quiet street almost touching the Torreblanca area of Sant Joan Despí. It is a duplex penthouse located in a building that was completely renovated in 2021. It consists of a constructed area of 146 m² with about 100 m² of terrace, in addition to another terrace of approximately 25 m².

This duplex penthouse is completely renovated and furnished. To access the apartment, there is a flight of stairs. On the first floor we find a beautiful entrance hall. To the left, separated from the rest, is the exterior main bedroom with a dressing area and bathroom with shower. To the right, we find two double bedrooms, a full bathroom with a shower and a laundry room and pantry. Finally, on this same floor, we enter the spectacular living room with an open kitchen, full of natural light, which offers us access to a terrace with an exterior dining room space.

To access the second floor, we return to the entrance hall area and take the beautiful metal staircase. Upstairs a multipurpose room awaits us with access to the terrace of about 100 m². The terrace has a jacuzzi, relaxation area with sun loungers, gym and training area, exterior living room and, in addition, a room dedicated to storage room.

The property, in addition to being completely renovated and furnished, offers us high-end qualities, such as wooden floors, carpentry with double glazing, air conditioning and ducted heating.
