OVERVIEW

Bright apartment with 4 large bedrooms and a terrace with unobstructed views for sale in a new build building, with a communal area, parking and storage room in Sant Feliu de Llobregat.

Excellent new build apartment, located in a building from 2016, in a modern and exclusive area in the Sant Feliu de Llobregat area, a few meters from the Joan Gamper Sports City.

This magnificent apartment is completely renovated and is presented in excellent condition. Upon entering, we find an entrance hall area with built-in wardrobes. The night area has four large bedrooms: one with a private bathroom, dressing area and access to the terrace, two double bedrooms and one medium-sized one, currently used as a study. The day area includes an equipped office-type kitchen, a 27 m² living-dining room with access to the same terrace that offers pleasant unobstructed views of the garden area, another complete bathroom with shower and utility area.

The apartment faces south and is also completely exterior. It has an aerothermics system, heating by radiators and ducted air conditioning. In addition, it offers us finishes such as wooden floors, double glazing, electric shutters in the night area and built-in wardrobes. La Finca offers access to the communal area with a saltwater pool, parking and storage room in the same building.

Enjoy a privileged location with a quick connection to the airport or Barcelona, a 15-minute car. Likewise, it is close to international schools, protected natural parks, sports and leisure areas and local businesses, among others. Ideal for families and couples.
