A home designed to contemplate the landscape for sale in Sant Just, Barcelona

Lucas Fox presents this bright single-family home in La Plana-Bellssoleig, Sant Just Desvern, with sea views, private garden, spacious terraces and great potential to create an exclusive contemporary residence.

In the residential heart of Sant Just Desvern, where tranquility mingles with the horizon and Mediterranean light caresses every corner, this detached property with its own unique character emerges. A property conceived for those who understand home as a serene, luminous living experience, deeply connected to the surrounding environment.

Located in the sought-after La Plana-Bellssoleig area, this 378 m² residence sits on a south-facing plot of 569 m², offering unobstructed sea views that accompany every moment of the day. The architecture, distributed across three levels, invites a contemporary reinterpretation of its spaces while preserving the elegant and timeless essence of the original property.

The main floor unfolds a sequence of spaces bathed in natural light: the living room, dining room, and terrace blend seamlessly with the blue Mediterranean landscape, creating an atmosphere of exceptional calm and spaciousness. The separate kitchen, laundry area, and two bedrooms complete this level, offering multiple possibilities for reconfiguration to create open and sophisticated environments.

Floor, dedicated to relaxation, four exterior bedrooms make mornings a daily privilege. The master suite and private terraces elevate the residential experience with open panoramas and absolute privacy, where time seems to stand still between sky and sea.

The lower floor houses a large garage with capacity for several vehicles and a versatile multipurpose space ideal as a creative studio, private gym, atelier or wellness area.

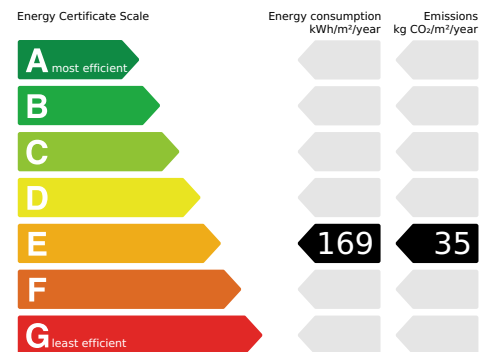

Exterior, the garden presents itself as a true natural canvas: a green refuge with endless possibilities for designing spaces for contemplation, outdoor gatherings or elegant Mediterranean evenings around the barbecue area.

The property incorporates solar panels, integrating energy efficiency and sustainability in an environment where privacy, exclusivity and quality of life make the difference.
