OVERVIEW

Apartment for rent in a new build development in Finestrelles.

Lucas Fox presents this modern and functional, new build apartment in a recently built building in Esplugues de Llobregat for long-term rental. This new build development consists of four residential buildings. All the properties are spacious and bright, have a large terrace, parking space, storage room and high-quality finishes. They are an ideal option for both families and professionals.

This two-bedroom apartment has a parking space. It is delivered without furniture or appliances. It has an air conditioning system using ducted aerothermics (hot/cold) and underfloor heating, for an ideal temperature at all times.

The building offers communal areas that include a swimming pool and large garden areas, perfect for enjoying moments of leisure and tranquility.

The complex is located in a high-end residential area, close to important prestigious international schools, sports centres and other leisure options in the area. Finestrelles offers an unbeatable location with excellent connections to Barcelona, in just 10 minutes by car. In addition, Barcelona-El Prat Airport is just 15-20 minutes away.

The property belongs to a large property owner. There is no previous contract, as there has been no previous rental. The index does not apply because it is a new build.

Please contact us for more information about this apartment in an exclusive and well-connected setting, just a few minutes from Barcelona.
