### OVERVIEW

[lucasfox.com/go/sls-madrid-infantas](https://lucasfox.com/go/sls-madrid-infantas)

**Coming soon: The first SLS Branded Residence in Europe, located in the vibrant Justicia neighbourhood, where you can indulge in the lavish comforts of home, enhanced by the unparalleled services of a 5-star hotel, in the centre of Madrid City.**

Lucas Fox presents the first SLS residence in Europe: SLS Madrid Infantas, a collection of 33 private homes of the highest quality and sophistication. Located in a meticulously renovated historic building with balconies, windows, and façade, this luxurious project offers various types of outdoor apartments and 3 penthouses with magnificent terraces, along with a wide range of luxurious amenities.

This iconic building, which will begin its careful renovation in early 2024, is situated on a corner and boasts a classic façade with balconies, mouldings, and railings, blending classic and the remarkable SLS innovative. Its 33 residences, ranging from 1 to 3 bedrooms, will feature top-notch qualities and services that immerse you in a living concept akin to a 5-star hotel.

SLS Madrid will offer a wide variety of luxurious amenities for its residents, including a private dining room, flexible meeting spaces, a fitness studio, an indoor pool, and a screening room. Residents will also enjoy breathtaking views of Madrid from the lush rooftop terrace, which features an outdoor pool and a designated area for admiring Madrid's beautiful sunsets alongside a fire pit. A restaurant located on the ground floor will complete this exquisite project.

Designed by Spanish architect Eduardo Sánchez Eznarriaga in the 1920s and once home to writer Enrique Jardiel Poncela, you will experience living in one of the capital's most exclusive buildings.

For more information, do not hesitate to contact us.

Please note:

SLS Madrid Infantas Residences (Project) is not owned, developed, or sold by Ennismore France SAS (Licensor) or its affiliates. Inverlis 1 S.L., (Licensee), is independently owned and operated and is solely responsible for the ownership, development, and operation of the project.
