OVERVIEW

Apartment with views of La Concha Bay, with a large living-dining room with access to a terrace for sale in a concrete structure building in San Sebastián.

Lucas Fox presents this impressive apartment with a terrace overlooking the sea, on the first line, with a constructed area of 153 m², with 137 m² useful, on the golden mile of San Sebastián, located in a concrete structure building. The property stands out for its brightness, spaciousness and location and offers a quiet and sophisticated lifestyle in one of the most coveted areas of the city. The apartment is in good condition, but I want to update some rooms.

It is currently distributed in a spacious living-dining room, from where you can enjoy a stunning view of the emblematic La Concha Bay, with direct access to a charming exterior terrace, ideal for relaxing. Next are three spacious bedrooms, all fitted with built-in wardrobes to maximize storage space. One offers panoramic views of the bay. Likewise, there are two complete bathrooms. It also has a large fully equipped kitchen.

It is important to note that both the portal and the communal areas have been recently renovated with high quality materials. These renovated spaces reflect a commitment to excellence and compliance with accessibility regulations to guarantee the comfort of all residents, with the lift at ground level. These recent improvements to the common areas not only enhance the aesthetics of the building, but also guarantee a modern, functional environment, ideal for those looking for a home with exceptional comforts and facilities.
