OVERVIEW

Bright apartment of 150 m², with a terrace with unobstructed views and a parking space for sale in a building with a renovated façade in San Sebastián.

Lucas Fox presents this apartment on Zumalakarregi Avenue, three minutes from Ondarreta beach, in the Antiguo neighbourhood of San Sebastián, an area with great personality.

The apartment is on the fourth floor and has a useful surface area of approximately 150 m². It is very bright and features a spacious living room with access to a terrace with panoramic views of Mount Igeldo and Ondarreta beach, as well as a garage nearby.

Upon entering the property, we find a comfortable lobby that gives us access to a large bedroom with access to a terrace, as well as the corner exterior living-dining room of more than 24 m². We continue with the main bedroom of similar dimensions, which has beautiful views. The other two bedrooms and three bathrooms face patios. The property is completed with a kitchen equipped with appliances and a small dining room.

The property is located on the fourth floor, facing west, with several hours of sunshine, and with good finishes such as hardwood floor, as well as gas heating by radiators. As the apartment requires updating, it is perfect to configure the space according to your tastes and needs.

The concrete structure building was built in 1951 and the façade has been recently renovated, as well as the entrance and elevator, so it has access without architectural barriers. It is located in an area surrounded by restaurants, shops, amenities and close to the beach.
