OVERVIEW

Elegant and modern villa with 5 bedrooms and 4 bathrooms, with wonderful views, garden and pool, for sale in Mirasol, Sant Cugat.

Beautiful villa located just a few minutes' walk from the FGC Mirasol station. It is practically brand new, since the renovation was completed in 2020.

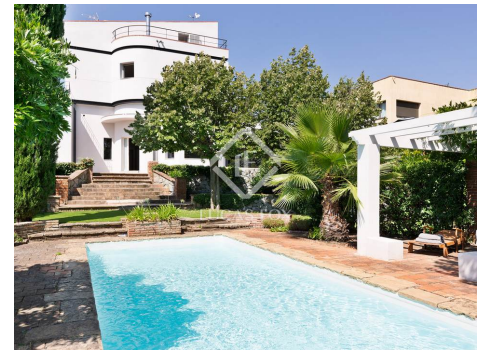

It has a wonderful Mediterranean garden, like a private little resort where you can enjoy the pool and its various chill-out areas surrounded by trees.

The house has a good layout over 3 floors. On the ground floor, we find a spacious hall that separates the leisure area from the three bedrooms and two bathrooms on this floor. On the right hand side, we find a beautiful and elegant open-plan living room with a fireplace open to the dining room and kitchen-diner with quality finishes and Neff appliances. The dining room has access to a large terrace overlooking the garden, ideal for family lunch and dinner.

On the first floor we find the triple-aspect master suite with its own terrace and beautiful views, surrounded by windows and lots of natural light.

On the second floor, we will find a multipurpose loft with a lot of height and a terrace with a solarium that could be used as a bedroom or study, among other uses.

Anti-damp treatments have been carried out and the entire interior contains plasterboard cladding. All this together with the insulating closures, the double-glazed windows and the high-end synthetic flooring manages to significantly improve energy efficiency.
