OVERVIEW

Restored modernist villa with 10 bedrooms and 8 bathrooms with panoramic views on a 1,317 m² plot for sale in Vallvidrera, Barcelona

Lucas Fox presents this property for sale, a modernist building completely renovated and designed by the renowned architect Albert Juan Torner at the beginning of the 20th century. It is located in a privileged enclave that dates back to the 19th century, when Dr. Andreu converted this area into a summer refuge. La Finca stands as a visual reference in harmony with the Tibidabo Basilica and offers a unique panoramic view of Barcelona surrounded by a lush natural environment.

This building represents the elegance of modernist architecture with contemporary comforts. Every corner has been carefully restored to preserve the original charm.
