OVERVIEW

Villa with 7 bedrooms, 2 pools, gym, guest apartment, garage for 12 cars for sale in Castellar del Vallés

Lucas Fox exclusively presents this 1100 m² villa, built on a 2218 m² plot with two swimming pools in Aire-sol, in Castellar del Vallés.

The property consists of two segregated plots: the first with an area of more than 1700 m² and the other with 488 m². Thus, you could build a three-story house of approximately 300 m².

The main property is distributed in a ground floor with a larger surface area, a first floor and the lower ground floor. The lower ground floor houses a garage for twelve vehicles, a bathroom, a gym space, a 100 m² room with a kitchen and fireplace and a wine cellar.

The ground floor with direct access to the front and rear garden is distributed in a 100 m² living room with fireplace, formal dining room, kitchen diner, utility room, landscaped courtyard, a double guest bedroom, a library, the main bedroom with dressing room and bathroom and two other bedrooms with their private bathrooms that are connected by a play area and a bathroom.

On the 100 m² upper floor there is an apartment with a separate entrance that has a ensuite bedroom and dressing room, a double bedroom, a full bathroom and a living-dining room with an open-plan kitchen.

The house has a 90 m² attic loft that is about to be finished and can be converted into a property or leisure space.

The rear garden has a 77 m² swimming pool and a 90 m² dressing room. The front garden has a porch with another pool, ideal for the little ones, a chill-out area with an exterior fireplace and a large garden area. On one side of the house, an area with grass and soccer field-style goals has been set up and it has an area with trees and a children's play area with swings.

Don't miss this spectacular house located in a completely natural environment.
