OVERVIEW

Newly completely renovated house, with comfortable and spacious rooms and a dream garden for sale a few meters from the centre of the city of Sant Cugat.

Lucas Fox presents this completely renovated semi-detached villa that offers the perfect combination of elegance, comfort and modernity in an exclusive environment. The property is located in a complex of only four houses that share access to the parking lot.

It stands out for its impeccable design and bright spaces. It has a constructed area of 248 m² distributed over four floors.

Upon entering the main floor, we are welcomed by a bright entrance hall that leads us to a kitchen open to the living-dining room, equipped with a central island. From the spacious living-dining room, there is access to a corner garden, perfect for enjoying outdoor moments and gatherings with friends and family. In addition, on this floor, there is a practical guest toilet and a versatile multipurpose room with access to the garden, which can be adapted to your needs.

The first floor houses the bedroom area, with three double bedrooms that have built-in wardrobes and large windows that fill the rooms with natural light. The main bedroom even has access to a private balcony, where you can enjoy quiet moments outdoors. This floor is completed by a full bathroom with a shower.

In the attic, we find a large space with a fireplace, currently used as an study, which offers a cozy and quiet atmosphere. In addition, there is a gym space and another full bathroom with a shower. And finally, the large terrace stands out, with pleasant panoramic views.

On the lower ground floor, there is the laundry area, machinery area, a warehouse and two parking spaces.

In addition, this property has six solar panels for the production of light and hot water, making it more sustainable and energy efficient.
