OVERVIEW

Californian-style house with 5 bedrooms, 6 bathrooms and an indoor pool for rent in the prestigious residential area of Vallldoreix.

This Californian-style house is offered for rent in the prestigious residential area of Vallldoreix, with fantastic unobstructed views of Sant Cugat and the Montseny mountains.

The house is surrounded by cypress trees and the garden has artificial grass that is presented in impeccable condition to play pitch and putt. It also has a spectacular fully equipped barbecue area.

The house is distributed over three floors plus the large basement, and the day and night areas are clearly differentiated. Upon entering, we find a spacious bright hall with fantastic views that gives access to the day area. It is a wonderful open space with different corners, including a dining room, a living room with a fireplace and an office. On this same floor we also find a fantastic kitchen, a guest toilet, a guest bedroom, a pantry area and the garage.

On one of the sides of the house there is access to a second floor, which consists of an attic that is used as a bedroom with a bathroom, as well as a fantastic terrace.

The lower floor offers two double bedrooms, a bathroom, the master bedroom with its own bathroom, a living room or cinema room, a games room with access to the garden, a spa with sauna and jacuzzi and the impressive indoor heated pool, which is also open to the garden.

The spacious basement would be ideal as a cellar or gym, although it offers many possibilities. The basement also consists of several rooms, such as two interior-facing bedrooms, a storage room, a bathroom and a shelter area.
