Elegant contemporary design villa with a wonderful garden and pool for rent in Valldoreix, Barcelona

Contemporary design villa with a bright living area with two rooms and a beautiful garden with a pool, in Sant Cugat del Vallès.

This elegant house has a modern design and an excellent location in the natural surroundings of Valldoreix, very close to the tennis club.

The house offers a very comfortable U-shaped design that brings together the living area on one floor, surrounded by large windows that allow you to enjoy wonderful views of the garden with pool. Its white façade with straight lines and its timeless structure give it a style with character that will not go out of style.

Once inside, on the left we have a majestic entrance and a large parking lot with a storage room. A warm hall gives us access to the main floor, where we have a nice open kitchen with a dining area and service area and a living room divided into two parts. The entire floor has beautiful views of the porch and the garden thanks to the large windows that surround it. On the terrace we have a pleasant porch with a glazed dining room, perfectly adapted and ideal to enjoy both in summer and winter. The garden has a salt water pool, barbecue, woodshed and a guest toilet.

On the upper floor we find the night area. On the left we have two offices (one of them with a complete bathroom) and the master suite with a large bathroom and a private terrace with views of the pool and Collserola. Crossing the bright glazed hallway, on the right are three bedrooms: two double with shared bathroom and one with private bathroom.

Among the exclusive characteristics and finishes of this house, the solar energy for domestic hot water, heating and swimming pool stands out. The property is also equipped with air conditioning, underfloor heating, water softener, osmosis system, a fireplace and heated saline pool.
