OVERVIEW

A new development of bright apartments with terraces and communal spaces for sale in Fuengirola, on the Costa del Sol.

Sunset Views is an exclusive residential complex located in the heart of Barrio Los Pacos, Fuengirola, just 33 km southwest of Málaga on the Costa del Sol.

This multicultural, cosmopolitan neighbourhood is exceptionally well-connected, with easy access to major roads (A-7, AP-7, N-340), intercity buses, Renfe trains, and eco-friendly hybrid buses linking it to the wider region.

The development comprises two modern buildings housing a total of 74 stylish apartments. Each home comes with two private parking spaces, a storage room, and access to two saline-purified swimming pools, a callisthenics zone, and an open-air gym. Apartments range in size from 83 to 300 m² and are thoughtfully designed to prioritize comfort, energy efficiency, and natural light.

Large private terraces with double-glazed windows offer breathtaking mountain or sea views; perfect for enjoying the Costa del Sol's warm climate and spectacular sunsets.

The complex also features inviting communal areas, including a sauna and social spaces, ideal for unwinding and connecting with neighbours.

Built with sustainability in mind, the homes offer year-round thermal comfort through high-quality insulation, advanced air renewal systems, and energy-efficient design, keeping interiors cool in summer and warm in winter while reducing energy consumption.

Whether buyers are looking for a stylish new residence or a smart long-term investment, Sunset Views offers modern, eco-conscious living in one of the most desirable locations on the Costa del Sol.
