House with views for sale in a sought-after area of Tarragona

Fantastic house with 5 bedrooms and several terraces, located in a residential complex with garden and pool in a quiet area close to the city centre.

This house with beautiful views is for sale in one of the most sought-after areas of Tarragona. The property is located in a block with a splendid communal area within it, with a garden area and sports area with a large swimming pool.

The house consists of 3 floors and a basement. On the access floor we find the day area with eat-in kitchen, guest toilet and a spacious and bright living-dining room with access to the terrace, which leads through to the large communal area.

On the first floor is the night area, which has 4 spacious bedrooms, 3 of which are double, and a shared bathroom. There is also the master bedroom, with its own private bathroom, a large dressing room and views of the communal area.

The top floor offers a large multipurpose room with access to 2 terraces: the front terrace faces northeast and offers magnificent views of the sea, and the rear terrace faces southwest and has views of the communal area.

The house is completed by a basement where we find a private garage with space for 2 vehicles, a storage room and a "txoko" dining room.

This is a great opportunity to own a dream house right next to the city centre, in a quiet area surrounded by nature.
