House with a large garden for sale next to La Mora Beach

Beautiful house with a large Mediterranean-style garden, pergola and barbecue, located a few minutes' walk from the beach of La Mora.

Ideal house for families, with easy access to the beach and with the privacy and exclusivity of a quiet residential area.

The house measures 209 m² and is built on a private plot of 635 m² in one of the best residential areas of Tarragona, just a short walk from the beach of La Mora.

The house is distributed over 2 floors and has been very well maintained. It was built in 2005 with high quality materials, exposed brickwork and natural stone façades, and the interior is clad with porcelain stoneware and wood with aluminum details in the colour of anodized copper.

In total, the house consists of 5 bedrooms, the laundry room and 3 bathrooms with towel rails, shower screens and wooden furniture.

The ground floor has a spacious living room and a kitchen diner. Both rooms have direct access to the terrace and garden. The latter has a barbecue, outdoor jacuzzi-spa and different seating areas, with 3 natural wood pergolas.

On the same floor, we find a bedroom, a complete bathroom, the hall and the staircase that leads to the upper floor.

The first floor consists of 3 double bedrooms with fixed wardrobes and a bedroom with a private bathroom and terrace. Currently, another bedroom is intended for use as a dressing room with wardrobes. The rest are 2 double bedrooms, ideal for children, and a complete bathroom. The same floor offers a laundry room.

Other features offered by the house are oil heating, ducted air conditioning, awnings on all windows, 3 natural wood pergolas, mosquito nets, electric shutters, garden lighting system and alarm.

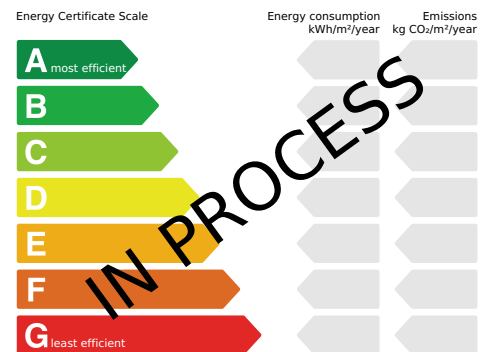

The Mediterranean-style low maintenance garden surrounds the house and is perfectly equipped and maintained.

The garage is an open porch type construction with the possibility of closing it and there are 2 storage rooms, one made of brick and another of wood.
