€435,000 Apartment - For sale

Extraordinary apartment overlooking the beach, for sale in Sant Salvador

4-bedroom apartment with a large terrace, facing the sea and near all amenities and services. Ideal for year-round living.

A beachfront apartment like this, measuring over 160 m² and with all home comforts, is a rare find.

The property, which has been fully renovated in recent years, is accessed via a large hallway. From here we reach four large double bedrooms, two full bathrooms, a spacious kitchen with utility room and laundry area, and a service bedroom with complete bathroom. The large living room is on the façade and divided into two distinct areas: a large and bright dining area with direct access to the kitchen, and a lounge area around a large fireplace, perfect for long autumn and winter afternoons.

The terrace, measuring over 20 m², offers excellent views over the sea and the promenade that connects Calafell and Coma-ruga. The terrace is suitable for creating different areas, such as dining and chill-out spaces.

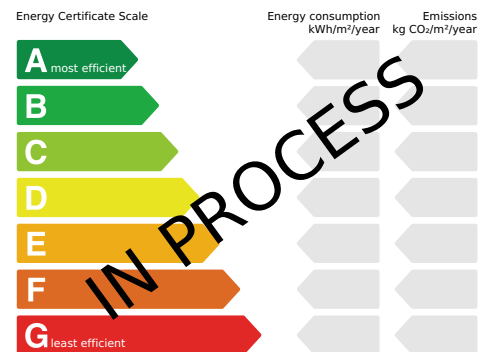

The property is completed by two covered parking spaces, one of which is just at the apartment exit and the other at the other end of the large garden surrounding the building. From the garden you can directly access the pedestrian promenade and the beach at one end, and on the other at the exit of the car park and the back street.

A unique opportunity to enjoy a magnificent apartment by the sea.
