OVERVIEW

Excellent house with direct access to the beach, for sale on the Costa Dorada, a few minutes from Barcelona.

This townhouse with a small garden would make a perfect first or second residence, just 30 metres from the sea.

From the garden, through a private gate, you can access the seafront promenade and from there the sandy beach.

On the ground floor, the living room has access to the garden and enjoys splendid sea views. On this level we also find the kitchen-diner, the hall, a toilet, a garage for one vehicle and additional space for storage and utility area.

The first floor offers a bedroom suite with sea views, a bathroom, a large built-in wardrobe and a private terrace from where you can look out to sea day or night. On the same floor we find another double bedroom with terrace and built-in wardrobe, with space for a double bed, and a large bedroom that can accommodate up to four children. A family bathroom, the hallway and stairs to the top floor complete this level.

On the second floor there is another bedroom suite, larger than the previous one, with a full bathroom, living area, walk-in closets and a terrace with great sea views.

The house has hot / cold air conditioning splits, awnings, appliances and an alarm.
