OVERVIEW

6-bedroom villa with spectacular sea views for sale at the foot of the Camino de Ronda, on a cliff facing the sea, in Torredembarra.

This exceptional house is located at the foot of the Ronda road that connects Altafulla with Torredembarra, bordering the coast.

We enter the house from a pedestrian street. Once inside, we find a large hallway, with a stately staircase to the front and access to the day area. In this area, there is a living room with 4 different spaces, a fireplace and access to a large porch-terrace on the main façade and to the kitchen. The kitchen is very spacious and bright and has a dining area, ideal for breakfast or lunch overlooking the sea. On this floor we also find a double bedroom with a seating area, a full bathroom, a laundry and ironing room, a storage room and access to a semi-covered summer dining area with barbecue.

On the first floor, we find the night area, with a large hallway next to the double staircase in which a large closet with Mallorcan shutters has been installed. Three of the bedrooms on this floor have access to the terrace on the main façade. The main bedroom has a large built-in wardrobe and a huge en-suite bathroom. Two more double bedrooms, with access to this front terrace, share a bathroom. In the lateral area, with northeast orientation, we find the fourth bedroom, which also has a private terrace and an integrated bathroom.

On the second floor, there is a multipurpose room with a large pool table as the central axis, seating area and access to a solarium terrace with a lookout.

The home is completed by a large garage with capacity for up to 3 vehicles.

The property, with more than 1,000m² of land, has a large front garden, with a magnificent swimming pool and solarium that maintain a high level of privacy due to the elevated position with respect to the Ronda road.
