Practically new apartment, with modern, high quality finishes that give it a functional contemporary atmosphere and with excellent direct views of the sea.

The apartment has three bedrooms with built-in wardrobes and a living-dining room with access to a terrace, perfect for equipping it with outdoor furniture. Initially it had four bedrooms, but two were joined to gain additional space.

To complement the home, the development has a communal area consisting of a garden with different spaces, a games area and a large pool in a well-kept and family-friendly place.

Finally, the building is located 400 metres from the beach of l'Arrabassada and a few minutes from the beginning of various roads and trails that lead to the natural surroundings near the city.
