### OVERVIEW

## 5-bedroom house, spacious, fresh and bright, with a large garden and swimming pool, on the beach, in Vilafortuny, Cambrils.

Detached house on the seafront, with garden and pool, located in Vilafortuny, one of the most emblematic areas of the Costa Dorada.

The house has two floors. On the ground floor, we find the hall that gives access to the service area, with a kitchen with an island, a bedroom and a bathroom. From the same hall there is access to a complete guest bathroom, the garage and a living room that occupies the entire front of the house. This living room has a fully glazed front, being able to be completely open to a large porch terrace, with living and chill-out areas and to the garden with pool and direct access to the beach.

On the second floor we find 4 double bedrooms that are arranged around a large hall, three of them with their own complete bathroom and one of them with access to the upper front terrace. The master bedroom, with a master suite design, has a large living room, a work area and a double access to the upper terrace.

A corridor runs along the sides and the back of the house, with an outdoor pantry area, a shed for tools and other supplies, and a clothesline area.

The house is completed with a garage suitable for two vehicles and space for a third between the access door from the street and the entrance to the covered garage.
