OVERVIEW

Detached house with large leafy garden, located in the quietest area of Salou, facing south, with excellent views of the sea and direct access to the coastal path and the beach.

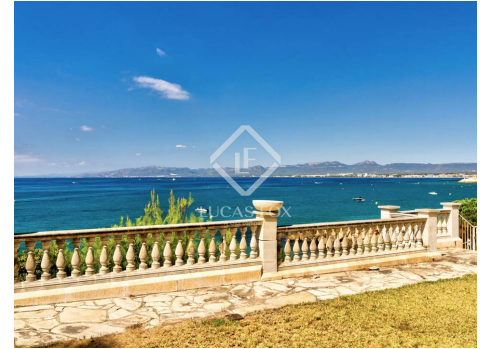

The house, located in the Cabo de Salou area, exudes great tranquility thanks to its extensive garden of almost 2,000 m², with lawn and pine forest.

We enter the house into a hall with built-in wardrobes. The hall leads us to a spacious and bright living-dining room with incredible views over the bay of Salou and the Gulf of San Jorge and access to the front porch and the garden. A small hall leads from this room to the kitchen, the laundry area, the service door, a complete bathroom and a service room.

A door on the opposite side of the living room leads to a hallway that connects to four double bedrooms. Two of them are at the ends of the corridor and have a private bathroom, while the other two share a bathroom, located in the centre.

Outside we find a large garden, surrounding by balustrade that faces the sea and a pool, also located in the front.

The property is accessed through a passage from the old road, Carretera del Cabo.
