OVERVIEW

3 bedroom townhouse with a nice private garden

Modern and exclusive semi-detached house, distributed over 2 floors and a garden, offering 3 large bedrooms and 2 bathrooms.

On the main floor we find a large and bright living room with fireplace, an equipped kitchen, open to an adjoining dining room, with access to the garden.

On this same floor, we find a complete bathroom with a Philipe Starck bathtub clad in natural stone from where you can find maximum relaxation thanks to a large window overlooking the garden.

The first floor has the large master bedroom suite with dressing room and an access to the wooden terrace, which also has access from the other double bedroom with built-in wardrobe.

These two double bedrooms and the single one, also with a built-in wardrobe, share a complete bathroom with a built-in shower.

The house has an outdoor parking space, porch with nautical sail and motorized access door.

The property has parquet and micro cement flooring in the kitchen and dining room, air conditioning, aluminum security carpentry, as well as a perimeter and interior alarm.

We are facing a magnificent house, ideal as a first or second residence, near the beach, on the Costa Dorada in Tarragona.
