Charming house located in the town of Bonastre and located in one of the most central streets of the town.

The property has been completely renovated maintaining the characteristics of Catalan farmhouses such as wooden beamed ceilings, popular ceramic floors, whitewashed and exposed stone walls, exterior landscaped porches, and all this at the same time, conditioned and equipped with all the comforts and conveniences of today's homes.

The house has three floors, placing on the ground floor all the rooms for the kitchen, living room, reading rooms, dining rooms, summer and winter lounges, outdoor porch, barbecue, garden and swimming pool with exclusive views of the countryside and its vineyards.

On the upper floors, several rooms, dressing rooms, and bedrooms with their respective bathrooms are arranged from a large central hall, and on the top floor there are attic spaces with the rest of the bedrooms and rest, play, or living areas.
