### OVERVIEW

## Penthouse with private elevator facing the sea with 5 bedrooms and with exclusive access to Cala Canyadell in Torredembarra, Tarragona Costa Dorada.

This exceptional duplex penthouse has a private lift on each of its floors.

We enter on the lower floor of the building and find a hall with a wardrobe and access to the private elevator and a study with natural light. From this, a staircase takes us to the first floor.

On this floor, we find a landing with a lift and the night area, which has 3 double bedrooms, including the master suite with a large dressing area and a complete bathroom. The other two bedrooms share a complete bathroom.

Following the staircase, we reach the upper floor, which houses the day area. A spacious living-dining room gives access to a terrace with exceptional views of the sea and the entire Gulf of Sant Jordi. On this same floor, the kitchen diner, located on the rear façade, also has access to a balcony that gives it space and light. The floor is completed by a single bedroom and a guest bathroom that serves this floor.

From the front terrace you can access through a spiral staircase to the upper solarium terrace, with spectacular views, and which can also be accessed via the private elevator.

On the -1 floor we find a garage in box format, suitable for two vehicles, with a storage area and access to the private elevator.
