OVERVIEW

Country house with almost 4 hectares of land, 3 main buildings and auxiliary buildings for sale in Valls, Tarragona.

Excellent rustic country house with more than 30,000 m² of land and two buildings for sale in Tarragona.

The estate consists of two well differentiated areas: the perimeter area, which has large areas of natural grass, combined with areas of forest and groves and that surrounds the central space in which we find two main buildings that function as two independent houses.

The first and largest, has a large, very bright kitchen, a living room and four bedrooms, including the main master suite with private bathroom located on the ground floor.

The second of the houses also has 4 bedrooms, a kitchen on the ground floor and a spacious living-dining room.

In the space that joins both buildings, a terrace area is drawn that can be shared by both houses and in which there is also a barbecue area.

Along with these two buildings, we also find a semi-underground building, enabled as a garage for up to 4 vehicles, gym, study, kitchen, dining room and an additional bedroom.

A great opportunity to acquire a property with exceptional characteristics in the capital of the Alt Camp region, just 20 kilometres from Tarragona and its coast.
