OVERVIEW

Great 3-bedroom home for sale on Rambla Nova, the most emblematic area of Tarragona and with magnificent views of the sea.

Property with an exquisite, high-quality interior design, both in terms of materials and design.

The apartment is located in one of the most select buildings in the city.

It has a large hall, provided with wardrobes, which gives access to a double bedroom, with a private and open bathroom. In the same all there is also the entrance to another complete bathroom that serves the third bedroom, the children's bedroom.

Via a spacious corridor, we reach two bedrooms, the first of them double and furnished and with capacity to accommodate up to 4 people thanks to its retractable bunk beds. The master bedroom is a suite with 3 open but well differentiated areas, thanks to a screen wall that divides the dressing room and the night area, as the bathroom.

The living room-dining room and the open kitchen create a spacious and bright area that gives character and quality to the home. The practical kitchen area is open plan and has an island, which includes the cooking area, acting as a partition. The living room and dining room space offer access to a large terrace open to Rambla Nova, with excellent views, both of the entire avenue and of the sea across the Balcó del Mediterrani.

An optional parking space is available in the Rambla Nova garage.
