OVERVIEW

Excellent three-storey manor house with cellar for sale in La Secuita, a few minutes from Tarragona and less than 2 km from the AVE station.

Exclusive manor house with style and in the center of the town of La Secuita.

Lucas Fox offers you the opportunity to invest in a town very close to Tarragona, a stone's throw from the AVE station, Reus airport and the main highways that connect the Mediterranean with Europe and the interior of the peninsula.

The perfectly preserved and updated house still maintains the traditional character in all its rooms. It offers various areas that were previously used for rural uses and that are currently set up as living areas, a cellar, a play area or dining rooms, among others.

Its three floors communicate with a wide central staircase. On the ground floor, there are several living spaces and garages. On the first floor, there are bedrooms, living rooms, bathrooms, a large kitchen and pantry, summer and winter dining rooms, covered terraces and a barbecue. On the third floor, it has recovered open spaces that have been conditioned as a loft-type dwelling. Finally, it benefits from an upper viewpoint where you can see the entire Camp de Tarragona.

The global set of housing, its distribution, condition and location undoubtedly offer a wide variety of possibilities to live and house large families or invest and create various multipurpose spaces for housing or for tourist uses.
