Excellent 3 Bedroom apartment for sale in Tarragona City, Costa Dorada

Great semi-new 3-bedroom property for sale on Rambla Nova, the most emblematic area of Tarragona.

Diaphanous property made with an exquisite high-quality interior design project, both in terms of materials and its design. It is located in one of the most select buildings in the city, on the emblematic Rambla Nova, whose comprehensive renovation has provided it with a modern and elegant character.

The property has a bright lobby; Upon entering the entrance hall, we observe a transparent glass partition, which allows us to visualize the living-dining room, the kitchen and the hall of the rooms.

Through a corridor enabled as a useful area, access is given to the different rooms. The master suite offers 2 well-differentiated areas, the night area and the full bathroom (with a bathtub). Likewise, the property has a second complete bathroom with a shower.

The living room- dining room creates a spacious and bright space that gives character and quality to the property. In this area you can appreciate the qualitative details such as the finishes, the interior carpentry, the white lacquered doors and the aluminum windows with double glazing.

The practical kitchen area is visually integrated into the whole, and is provided with extensive and comfortable surfaces that include the cooking area.

In addition to the main suite, we have two comfortable rooms with built-in wardrobes, whose use and enjoyment would be adapted to the needs of its future owner.

Through the common area, in the highest part of the building, you can access a large terrace with a Jacuzzi, open to Rambla Nova, with excellent views of both the avenue and the sea through the Balcó del Mediterrani.

An elegant and exclusive property, suitable to satisfy even the most demanding clients.

Request a visit and be surprised.
