### OVERVIEW

## Rustic villa of 546 m<sup>2</sup> on a 166 hectare building for sale in a discreet location in inland Tarragona.

Lucas Fox is proud to present this magnificent rustic villa , which stands out for its amalgamation of architectural styles from different historical periods. Its origins date back to a purely agricultural phase, although it has undergone a notable transformation into a stately residence. The marked rustic character that prevails in its exteriors contrasts strikingly with the richly decorated interiors, which offer luxurious furniture and state-of-the-art amenities.

The total built area covers approximately 1,600 m<sup>2</sup>, of which 546 m<sup>2</sup> are intended for residential use, while the remaining 1,000 m<sup>2</sup> have been assigned to various annexes and auxiliary rooms.

The main property , the noble building, houses an area of 546 m<sup>2</sup>, carefully distributed in several large living rooms, a separate dining room , a perfectly equipped library, six exceptionally spacious bedrooms and five elegantly decorated bathrooms.

La Finca also includes independent property for La Finca 's workers and a variety of diverse outbuildings intended to house infrastructure and amenities.

This country house stands as a testament to the ingenious evolution of an initially rustic structure into a haven of elegance and contemporary comfort, a harmonious fusion between its agricultural heritage and the luxury of today.
