Excellent 5 Bedroom house / villa for sale in Urb. de Llevant, Costa Dorada

Great house with wonderful garden and 5 bedrooms in Tarragona Boscos Development

Situated on an elevated plot, this charming house stands out for its impressive and well-kept garden, which includes a small natural lake. This unique space, with a fountain whose gentle murmur of water creates a relaxing atmosphere, invites you to unwind and enjoy the tranquility of the surroundings.

The access to the property is located halfway up from the plot, where a large hall distributes the day area. The first room that greets us is an elegant living room room, equipped with a wood-burning fireplace that provides warmth and character. This space opens onto an exterior terrace with views of the lush garden, adorned with a wide variety of plants and trees that beautify the landscape. Next, we find the kitchen with a dining area, also connected to the terrace, ideal for enjoying breakfasts outdoors. Next to this, a cozy adjoining room, perfect for coffee or reading, offers an intimate corner for relaxation. A separate toilet and a bathroom complete this floor.

The first floor houses the night area, made up of three main bedrooms. The master bedroom, in suite format, has a private bathroom, dressing room and a discreet terrace with views of the surrounding forest and, on clear days, the blue horizon of the beaches of Tarragona. The other two bedrooms share a full bathroom, offering comfort and functionality.

On the upper floor we find a special space: an attic studio with a terrace, from where you can enjoy even more spectacular views of the surroundings. In addition, this floor includes a separate room that adds versatility to the design of the property.

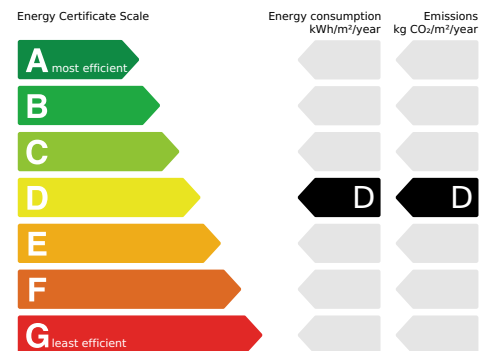

The semi-basement level surprises with a multipurpose room, currently used as a home cinema, with a fireplace, ideal for enjoying moments with family or friends. This level also includes two large storage rooms and a garage with capacity for two vehicles.

This property stands out not only for its functional and cozy design, but also for its privileged location and natural surroundings. Request a visit and be captivated by this unique house that combines comfort, elegance and nature in perfect harmony.
