### OVERVIEW

## House in perfect condition with 5 bedrooms with garden and pool in Castellvell del Camp

This detached house is located in the town of Castellvell del Camp, in the “La Flor Del Camp” development, surrounded by a natural area of Mediterranean landscape and with views over the Camp de Tarragona.

The house invites you to calm with its garden and impressive private pool and a barbecue area with a natural wooden pergola. Of course for enjoying the outdoors and the sun all year round.

We enter and a large hall leads us to the living living room with access to terraces and the pool. A generous porch is part of the living room. The kitchen is very spacious, with a central island and another access to the exterior, to reach the barbecue. This day area allows a perfect game between the interior and exterior with the gardens.

The same floor has a full courtesy bathroom, a double room and a laundry or ironing room. In addition to fixed closets in the hallways and highlighting the lift that connects the three floors.

The upper floor is distributed with a large hall with four very spacious double bedrooms and two bathrooms. One of them in suite format with sloping ceilings and with access to a terrace with views.

The floor has capacity for parking three or more vehicles. Other independent rooms such as a changing room-type bathroom, a machine room or storage room.

Your comfort is assured with underfloor heating and ducted air conditioning for your plants.
